CODE OF CONDUCT TO PROTECT CHILDREN

First Touch Futbol Club provides the following information as a guide on how to interact with children and youth and it is intended for its coaches / volunteers / staff members.

The purpose is to create a safe and comfortable environment for players and their families. The priority is to ensure that all children and youth are physically and emotionally protected.

- Children/youth should be treated with dignity and respect
- Coaches must maintain boundaries with children and their families
- Keep a professional relationship with children and their families
- Create trust and respect between coach/player relationship
- All children have different development/personalities and the coaches should adjust accordingly for the benefit of each player
- Coaches should self-monitor their behaviours and check on their peer's behaviour
- Be strict but not rude
- Care for the player's well being and development
